Joy Ministries
Just Older Youth

Live is precious. Life is short. Life is given to us by God. He breathed His breath into man and he became a living soul. God created man in His image. We're like God in that we have a spirit man and eternal soul that will live forever, just like God. The soul never dies. It will live throughout eternity. Life is very precious.

There are two ways. The Bible says to choose life. ***"I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live." Deuteronomy 30:20 KJV***

What is life? Jesus Christ is life. Jesus said He is the way, the truth and the life.
He came to give us not only life, but abundant life. He is the only way to heaven.
Only in Jesus is true joy found.
