***"The heavens declare the glory of God;
and the firmament sheweth his
handywork." Psalm 19:1***

There were two Super Full Moons in 2022; the Super Strawberry Moon on June 14th and the Super Buck Moon on July 13. Unfortunately, I missed seeing them both. There are all kinds of moons- - a Blood Moon, Blue Moon, Harvest Moon, Pink Moon and even a Micro moon but the Super Moon is the rarest type of Moon of all.

All of us have looked up on clear night and stood in awe at the wonder and beauty of a million twinkling stars spread across the sky. As we stand gazing our thoughts immediately turn to God, our Creator and we glorify Him for His handywork just like David says.

May we always glorify our Heavenly Father! What does glorify mean? To honor with praise, admiration or worship.

He is worthy!

Our next JOY meeting will be Tuesday, August 16th at 10:30 a.m. in the Church Fellowship Hall. More details in upcoming newsletters.

We hope everyone is enjoying this summer time, visiting with family and friends. It will soon be time for school to start back.

God Bless Everyone!
