"Blessed be the LORD, Who daily loadeth us with benefits, even the God of our salvation." Psalm 68:19

David is praising the Lord for supporting him day by day. The word load in this verse means or signifies to lift, bear up, support or to bear a burden for another. This being so, you can interpret verse 19 to mean, Blessed be the Lord day by day, who bears our burdens for us. Isn't that a comforting promise? Jesus is our burden bearer. We are not alone in this world. Jesus said Himself, He would never leave us or forsake us and He promised to be with us until the end. However heavy the burden laid on you and however constant our trials, we find Jesus as our constant helper and have daily occasion to praise and bless Him.

A few of the Lord's benefits are: the joy of salvation, protection, provision, peace, guidance, and living with Him for all eternity. Our life really begins at death and our knowledge of Him only just begins. Imagine one day seeing Him face to face! There is good news and benefits from knowing Jesus!

Our next JOY meeting will be Tuesday, August 16th at 10:30 a.m. in the Church Fellowship Hall. More details in upcoming newsletters.

Children's Corner:

We don't raise our kids in church so they can grow up perfect. We don't raise our kids in church because it magically makes them unable to sin or holier-than-thou.

We do however raise our kids in church so when they mess up and when they fall short, they know just who to run to. So they know that their LORD and Savior will NEVER leave nor forsake them no matter how big or small their mess up might be. So they know their Heavenly Father will always leave the 99 if they are the ONE that needs saving. So they will know what grace is like and give it out freely.

So they will know the unconditional love of their Father and love those around them just the same regardless of anything else. So they know that there is absolutely nothing in this world they could do that Our Saviors blood hasn't already covered.
